

Celebrate Valentine's Day with DestinationWeddings.travel

DestinationWeddings.travel was established many years ago as a one of a kind, boutique travel concierge service. DestinationWeddings.travel customizes destination weddings, honeymoons, and celebrations designed for romance, love and adventure. Whether it is an adults-only experience, a kid-free paradise or a hip and chic experience for families and friends, boundless adventures are offered for adults and kids alike.

Pamela Ott, owner of **DestinationWeddings.travel**, refers to herself as the “wedding fairy.” With a contagious passion for travel, romance, discovery and once-in-a-lifetime experiences, she has fulfilled many dreams for brides, grooms, families, and the young-at-heart. Ott also owns and operates www.WildSideDestinations.travel, a website specializing in luxury travel, sensuous safaris, adventure tours and cruises.

“Having been in the travel industry for over 16 years, when the opportunity arose to qualify and own a **.travel**, we jumped in bridal gown and bare feet first! Due to the nature of being authenticated, we knew this would be a way for true travel professionals to be acknowledged and recognized,” says Ott. “.travel, not to be confused with other domains such as .com .org .net - which anyone can purchase, represents who we are and gives a sense of pride and ownership to our travel business that many others have not earned. This level of industry recognition separates us from the next domain name and service. We place a sincere value on **.travel** crowning us as a dream provider, a unique brand in itself. ”

DestinationWeddings.travel's marketing materials include postcards, fliers, calendars, business cards, magnets, and car decals that are all unique and reflect their boutique, preferred services. The DestinationWeddings.travel site is frequently updated to recommend experiences which continue to attract the traveler looking for heightened travel experiences.

DestinationWeddings.travel has always remained boutique in services in order to continue the service level they want to give. They look for quality, not quantity. With the Wedding Fairy's passion for travel, each traveler is in special hands as she makes her client's dreams come true.
