If your interests are in luxury vacations, wine tours, beach vacations, and/or adventure tours through the Amazon, www.SouthAmerica.travel is your ticket. 4starSouthAmerica began in 2000. As the company evolved and offered further enhanced services in 2007, the company needed a new identity. www.SouthAmerica.travel was the solution.

Since launching, 4starSouthAmerica has produced impressive results. In Google search for South America travel tours and holidays, www.SouthAmerica.travel ranks number one time and time again. With such rankings, it is not surprising that the number of hits to the site has increased tremendously. In addition to the parent site, the company has **.travel** sites for the variety of services that they provide: www.railway-tours.SouthAmerica.travel and www.amazon.SouthAmerica.travel. Both of these sites are ranked in Google at number one.

“Currently, we are enjoying over 40,000+ unique visitors per month and growing,” commented Bradley Nehring, Vice President of 4starSouthAmerica, “Our motto is, ‘South America is our home...Travel is our passion’ – now that passion is reflected in our **.travel** domain name.”

Currently, 4starSouthAmerica uses the **.travel** site in all of its promotional materials for travel trade shows including business cards and email. In fact, with such incredible results, www.SouthAmerica.travel is in the process of adding content in Spanish to its English and German listings to better service its global audience.
