

.TRAVEL ADDS AB NAMEISP AND DOMAIN101 TO ITS LIST OF APPROVED REGISTRARS

With over thirty approved registrars, .travel continues to enhance its presence in the domain and travel industries.

FORT LAUDERDALE, FL-September 2, 2009- **.travel**, the top-level domain for the travel and tourism industry, welcomes the addition of two new approved registrars: AB NameISP and Domain101. Through continued **.travel** registrations and usage of the domains, the evolution of travel on the Internet is apparent and moving rapidly towards highly specified domains.

With over thirty global registrars, **.travel** continues to heighten its presence in both the domain and travel industries. AB NameISP and Domain 101 provide **.travel** with additional sales channels, which complement **.travel's** existing strategy of reaching global travel businesses looking for their name in the travel channel of the Internet.

For more information about **.travel**, The Source for All Things Travel and a complete list of **.travel's** approved registrars, please visit www.travel.travel.

###

About .travel

.travel is the top-level domain created specifically for the travel and tourism industry. Any participant in the travel industry may own a **.travel** name. Unlike other top level domains such as .com or .org, relevant content must be published on each **.travel** site within a year of purchase. For more information on **.travel**, The Source for All Things Travel, please visit www.travel.travel
